Wide open, spacious floorplans are the norm for MAXUM WILD. While large kitchen slide-outs like this are typically reserved for coaches costing thousands more, this MAXUM WILD model provides a truly wide-open feel, as well as large base cabinet and overhead storage, over-sized windows and a sofa and dinette that both convert into beds for additional sleeping capacity.

This bedroom is typical of most MAXUM WILD units, featuring a large queen upgrade mattress, an abundance of overhead cabinets, matching shirt closets, night stands, and two windows for great ventilation.

One touch of the button raises the TV. Simply press the TV back down when you are done watching or ready to pack up.

Where you purchase your recreational vehicle is ultimately your decision but Discover Canada RV urges you to consider buying at your local dealer. Dealers are part of your community, providing jobs and contributing to your local economy. These dealers are under obligation to provide warranty service for products they sell, but are not legally required to service products purchased from other dealers. At some point, you may need to return to the dealer you buy from - why not stay close to home?

### **BENEFITS OF PURCHASING YOUR RV LOCALLY:**

- You enjoy valuable relationship building with Dealer Representatives, close to your home, who will explain the features and benefits of the product.
- You receive a full product orientation prior to delivery, which includes hands on directions for many of the coach's systems and functions. You are also introduced to the Dealership's Service/ Parts/ Warranty personnel who are at the ready to help you with any issues you may encounter, now and in the future.
- You enjoy customer PRIORITY. Dealerships generally service their purchasing customers first - others may experience long delays and miss opportunities to use their RV.

What is it worth for you to have a dealership's full attention and motivation to satisfy you when you need service – in a timely manner.

- Valuable TAX dollars and jobs stay in YOUR community which pays for your roads, schools, police and fire departments.

**For Canadian Residents:** If you purchase an RV out-of-country, there are additional fees, taxes and inspections that must be met before bringing your product home. Your local Canadian dealers are experts in these provisions.
